

What repairs and renovations will be considered under CARE Mobility?

Modifications must be related to the household member's disability.

Housing modifications must be permanent and fixed to the home.

Cosmetic repairs are considered ineligible unless they are required as a result of completing the necessary repairs listed above.

What is Contributing Assistance for Repairs and Enhancement (CARE) Mobility?

The Contributing Assistance for Repairs & Enhancements Mobility (CARE Mobility) Program provides assistance to existing homeowners with a household member with a disability, to support modifications that will promote continued independent living.

How do I qualify for CARE Mobility?

- Must be 19 years of age or older;
- Be an NWT resident for three years, with one year continuous in the community of application prior to approval;
- The applicant(s) must have owned and lived in the home for a minimum of a one (1) year period before applying for the program;
- At least one household member must be disabled;
- The household income must be below the Core Need Income Threshold (CNIT) for their community;
- For additional eligibility requirements, please contact your District Office.

What Assistance can I get?

- The NWTCHC will fund modifications required to improve the accessibility of dwellings for persons with disabilities.
- Clients receive assistance in the form of forgivable loans to subsidize the cost of modifications related to their disability.
- The forgiveness period is dependent on the amount of assistance being provided.
- Assistance up to \$100,000 excluding freight and Contractor accommodation costs is available.
