Northwest Territories Housing Corporation
Société d'habitation des Territoires du Nord-Ouest

The Community Housing Support Initiative

- 3-year pilot program to support Indigenous and Local Governments.
- Addresses historical barriers to housing development.
- Provides affordable housing for families, seniors and single member households.

The Community Housing Support Initiative

- Innovative Support for Local and Indigenous Governments
- Designed to meet the specific needs of individual communities
- Addresses community housing needs through partnership

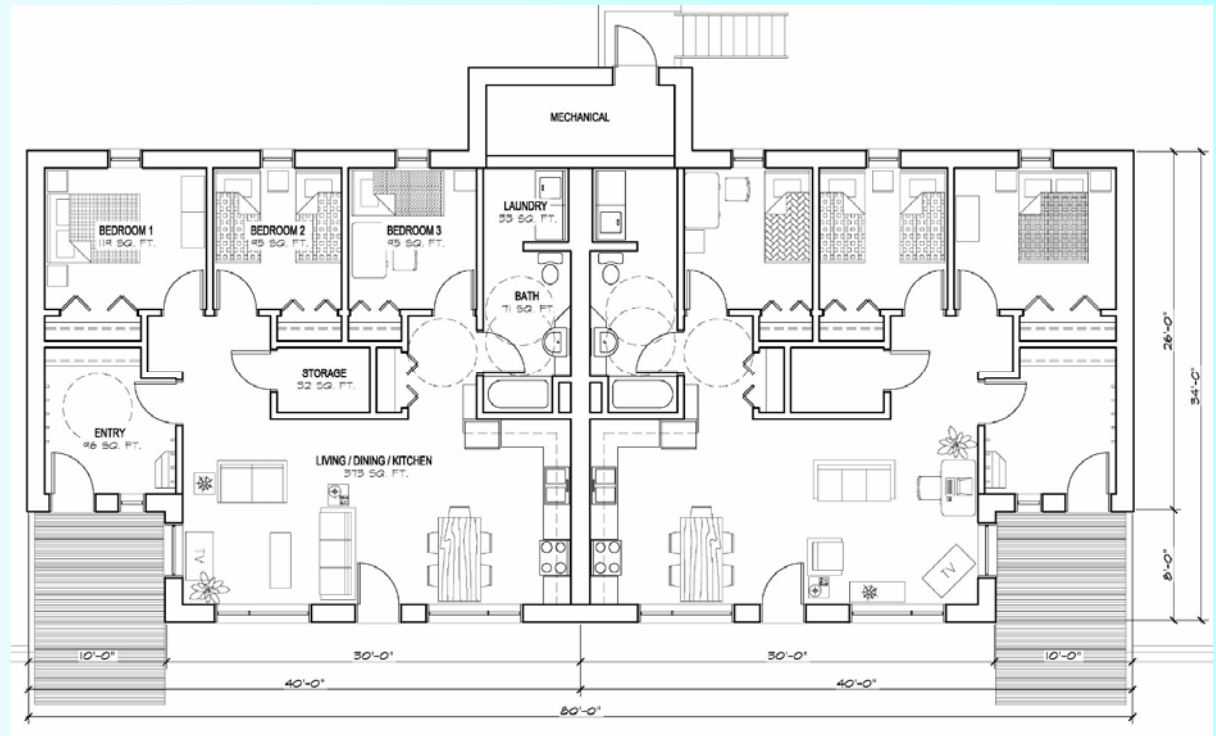

The Community Housing Support Initiative

- Locally appropriate, community-driven housing
- Flexible support through a grant, grant-in-kind or contribution
- In the form of program and policy design, technical expertise, land management, material packages and surplus units where appropriate.

The Community Housing Support Initiative

- Successful builds
- Salt River First Nation
- Jean Marie River

Thank you!
