Northwest Territories Housing Corporation
Société d'habitation des Territoires du Nord-Ouest

The National Housing Co-Investment Fund and the Northwest Territories Housing Corporation

- \$60 Million carve off for the Northwest Territories
- Government of Canada contributes up to 75% of costs

How will it work in the NWT?

- Partnership opportunities for holistic solutions
- Involvement of local & Indigenous Governments, private sector, and NGOs

Working together

- Application based programs can be a burden
- NWT HC can help with application support
- Together we can maximize our success

Thank you!
